

STATE OF HAWAII
REQUEST FOR EXEMPTION FROM CHAPTER 103E, HRS

08 MAR 5 PM 10

To: Chief Procurement Officer

ADMINISTRATION
STATE PROCUREMENT OFFICE
STATE OF HAWAII

From: Department of Health/Adult Mental Health Division *ay*
Department/Division/Agency

Pursuant to § 103F-101(a)(4), HRS, and Chapter 3-141, HAR, the Department requests a procurement exemption to purchase the following:

Title and description of health and human service(s):

Acute and continuing psychiatric inpatient care including twenty-four (24) hour supervised care in a secured unit with direct psychiatric care. Acute services require ongoing monitoring of consumer mental status, stabilization interventions, and rehabilitation or return to the community as necessary.

Provider Name: Castle Medical Center	Total Contract Funds: \$912,500, estimated cost	Term of Contract:
Provider Address: 640 Ulukahiki Street Kailua, Hawaii 96734	Contract Funds per Year (as applicable). N/A	From: To: July 1, 2006 June 30, 2007

Explanation describing how procurement by competitive means is either not practicable or not advantageous to the State:

Procurement by competitive means continues to not be practicable because of the need to comply with a permanent injunction. The permanent injunction requires the Director of Health to take custody of certain categories of individuals within 24 or 48 hours. These individuals would be placed in either Hawaii State Hospital (HSH) or another appropriate facility including a general medical/surgical hospital with psychiatric inpatient service. Currently, HSH's census exceeds their budgeted capacity by 24 patients. Without these services, individuals court ordered to the custody of the Director of Health may be placed in imminent harm or may place the public in imminent harm.

Procurement by competitive means will also not be advantageous to the State because AMHD proposes to contract with both Castle Medical Center and the Queen's Medical Center for acute and continuing psychiatric inpatient services. These two providers operate the only general medical/surgical hospitals on Oahu with psychiatric inpatient service. AMHD is also under a court order to contract for psychiatric inpatient care with Sutter Health Pacific dba Kahi Mohala.
